# ZEN CAR

[zencar.eu](http://zencar.eu)

Zen Car offers a car sharing service with a **100% electric fleet** across multiple cities in Europe.

When the company first approached Brussels, I was asked to make **shots for newspaper ads**.

One of the photos was then featured on the Belgian newspaper **'La Libre'**.

A close-up photograph of a hand reaching towards a brown cardboard box. The box is rectangular with a blue circular logo on top. A dark, patterned napkin is rolled up and tucked into the top of the box. The background is a blurred kitchen setting.

# BIA MARA

[biamara.com](http://biamara.com)

Bia Mara is a sustainable, gourmet fish & chips restaurant.

When the company opened their first spot in Brussels, I was asked to take pictures of their renewable food packaging.

The photo was then used for an ad featured in an issue of the **Eurostar Metropolitan Magazine**.

# ATELIER LOUIE

[atelierlouie.eu](http://atelierlouie.eu)

Atelier Louie is a bespoke leather goods company based in Brussels.

They contacted me to shoot their products and their workshop, twice.

The photos are still used on their website.

The owner of the company contacted me again to shoot their workshop and a couple of portraits.

# VINI DIVINI

[lebergerhotel.be](http://lebergerhotel.be)

Brussels-based hotel 'Le Berger' offers a nice selection of wines through their 'Vini Divini' wine shop.

I was asked to shoot a few wine bottles for them.

# **MINISTRY OF CITIZENSHIP**

Ministry of Citizenship was a web-based series of debates focusing on European policy issues.

I was asked to take a few backstage pictures during the filming for one of the episodes.

# WATER EUROPE

[watereurope.eu](http://watereurope.eu)

I was hired as the official photographer  
of the 2015 annual conference of Water Europe.
